In spite of this, there are many reasons to get a separate MP3 player.

Even so, there are plenty of reasons why a player should be independent.

Despite all of this there are enough reasons why we should establish an independent player.

Trotz allem gibt es genügend Gründe dafür, warum man sich einen eigenständigen Player zulegen sollte.

Despite everything, there is plenty of reasons why we should create an independent player.

Even so, there are plenty of reasons why you should be a stand-alone player.

The majority of the people is always a mobile.
